

# MINUTE ENSLLEY

## To the Republicans of Marion County:

We, the undersigned Republicans, respectfully invite your attention to the candidacy of Mr. OLIVER P. ENSLEY for the nomination for COUNTY TREASURER at the coming primaries. Realizing the great importance of nominating clean, capable and worthy men, we heartily recommend Mr. Ensley for this office. He is a sterling Republican, a man of energy and ability, of incorruptible integrity and has the esteem and confidence of all who know him. He is identified with important enterprises in this city and county, and his administration of his own affairs warrants us in saying he would discharge his duties as Treasurer with the same honesty and success that has characterized his private business life.

We earnestly solicit your votes for Mr. Ensley at the primaries to be held TO-DAY, because we believe he will give strength to the county ticket. His name on the primary ballot will be THIRD in the list for Treasurer.

Respectfully,

### LACKY'S HORSE AUCTION

ONE HUNDRED AND ONE HEAD BRING NEARLY \$31,000.

Sphinx Lassie Goes to a New Yorker for \$2,900-The Day's Best Sale-Other Horse Matters.

Special to the Indianapolis Journal. CAMBRIDGE CITY, March 13.-The gavel of the auctioneer-the Brothers Bain-fell a good many times to-day, the third day of the John S. Lackey horse sale, and a big lot of racers went at top-notch prices. There was a great rush all day, and the big sale pavilion was crowded from one end to the other. Good prices prevailed on all kinds of stock, especially on the gentlemen's driving horses or roadsters, many of which sold as high as \$500. There were a few "culs" knocked down for prices ranging from \$50 down, but they were, in the vernacular of the "horseman," "too slow to kick with." Whittely Bros. of Muncie, sold the best prospect reached in the catalogue so far, that of Sphinx Lassie, a bay mare, with a trotting record of 2:23 1/2. She is standard and registered and has shown a gain of 2 1/2 in the famous sire Sphinx (2:34), with a record of 2:29 1/2, and is considered to be one of the best 2:25 trotters in the United States. The price paid was \$2,900, and she will grace the stables of G. W. Strauss, of New York.

The total number of sales to-day reached 101 head, bringing \$30,770, making the average price \$300. To-morrow promises to be another good day, as the catalogue promises some good stock. A list of the prominent sales to-day follows:

Other jockeys are cautioned and a general warning is issued that any infraction of the rules will be rigorously punished. Among the jockeys licensed are the following Americans: Clem Jenkins, Rigby, H. Spencer and C. Gray.

### MUNCIE IS THE CHAMPION

DEFEATS ANDERSON IN A VERY ROUGH GAME OF POLO.

After-Season Series with Racine, Wis.-Basketball at Logansport-American Association Empires.

Special to the Indianapolis Journal. MUNCIE, Ind., March 13.-The Western polo championship was decided by the game in Muncie to-night, the locals defeating Anderson by the score of 7 to 4 in a hard contest. Muncie had the championship, but never faltered, while Anderson needed the game to keep out of last place. The game was rough, several fist fights between players being narrowly averted. Mullen, Anderson's goal tender, was the aggressor in one, two fouls being called on him. Chancery Fisher drove a ball that struck Harry Ellis, Muncie's half back, in the mouth, knocking out two teeth and all but breaking his jaw. He fell as if shot. A beautiful bouquet was presented to Fisher, of Anderson, and each member of the Muncie team was the recipient of floral tributes.

Muncie went to Racine, Wis., to-night for two games, and Racine will come to Indianapolis next week for six games.

### RELAY TRIALS.

High School Teams Will Have Their Trials To-morrow.

The trials for the relay teams from the high schools will be run to-morrow afternoon at 2:30 in the Cyclorama building, and the men chosen will begin training at once for the race at the indoor meet in Tomlinson Hall a week from to-night.

The relay race this year will probably be more interesting and closer than any run before. Last winter, at the indoor meet, the Shortridge team was victorious, but the M. T. H. S. boys carried off the honors at the state field meet in June. The candidates for both teams have trained hard, and each school will be represented by a fast squad. Both schools are handicapped by the loss of good runners. Harlan Fowler, of the Shortridge School, who made such a game spurt in the relay race at the state meet and is considered the best long-distance runner in the school, cannot run on account of heart trouble. Will Kayler, one of Training School's best athletes, is sick, and will not be able to run. Following are the candidates on the M. T. H. S. team: James McPheters, Jack Shideler, Harry Wheeler, Carlin Woodbridge, Vernon Bower, Ira McIntire, Albert McCullum and Walter Paul. Those who will try for the S. H. S. team are: Ernest Holden, Bob Scott, Gus Dean, Howard Shank, "Hazy" Clark, Bert Dunning, Bennett Gates, Garvin Brown and Clarence McKinney. Four men and two "subs" will be selected and will be judged by the time they make.

### May Defeat College Girls.

Captain Gladys Nebraska, of the Shortridge girls' basketball team, has been put on her feet through some hard practice this week in preparation for their game to-morrow afternoon with Butler. She is well pleased with the way the girls are showing up in practice, and expects to win from the college team. The S. H. S. team is being coached by Fred Hersch and Ernest Holden, two of the best players on the star Shortridge squad. As stated in the Journal recently, the S. H. S. girls' basketball team received a challenge from the Crawfordville High School team. It is not known where the game would be played, but it is said that an effort will be made to bring the Crawfordville girls here.

### Vehicle Shows Do Not Pay.

No more vehicles are sold and an exhibition means great expense, according to the report.

### Fought to a Draw.

Fierce Ten-Round Go Between Joe Wolcott and Peter Jackson.

BALTIMORE, Md., March 13.-Joe Wolcott and "Young" Peter Jackson fought ten rounds to a draw here to-night before the Eureka Athletic Club. It was one of the fiercest battles ever seen here and three thousand people saw it. Under the conditions of the match, Wolcott was to put Jackson out or get no part of the gate money. They went at it hammer and tongs at the start and kept it up to the finish, both men being rather groggy at times, but finishing strong. It might have been anybody's fight at any stage, and though the sympathies of the audience were with Jackson, a local man, they were well satisfied with the decision of Referee George Mantz. Jackson showed marked improvement over his form in November last, and Wolcott made a chopping block of him, but could not put him out.

### Ended in a Fierce Mix-Up.

CHICAGO, March 13.-The best that Harry Forbes, the bantam-weight champion, could do with "Kid" Goodman, of Boston, to-night at the Pyramid Club was to gain the decision after six rounds of clever fighting. Forbes was handicapped by a bad right hand, which he broke two weeks ago in St. Louis, and he won the fight on foot. Wolcott was to put Jackson out or get no part of the gate money. They went at it hammer and tongs at the start and kept it up to the finish, both men being rather groggy at times, but finishing strong. It might have been anybody's fight at any stage, and though the sympathies of the audience were with Jackson, a local man, they were well satisfied with the decision of Referee George Mantz.
